The **Waco Area Youth Wind Ensemble** (WAYWE) was founded in 1993 by Dr. James Popejoy, former Director of Bands at McLennan Community College. Selected by audition, this ensemble is comprised of the finest young instrumentalists in Central Texas. Since its inception, over 300 students representing more than 20 area high schools have participated in WAYWE.

The mission of the group is to provide dedicated young musicians a venue to experience the finest literature in the wind repertoire while building musical skills, community involvement, and aesthetic appreciation. WAYWE is sponsored by McLennan Community College as a part of their community service and outreach endeavors. Additional support is provided by the Waco Community Band.
